One use per household.

HOW WE CAN *help*

EATING WELL AT HOME

*Friendly,
reliable delivery*

Customers will get to know their DBS-checked, regular driver who will happily put their meals away in the freezer for them.

*Easy to prepare
and cook*

Meals can be cooked easily straight from frozen in the oven or microwave.

Good

OLD-FASHIONED SERVICE

We take pride in being renowned for this, and it's reflected in our Trust Pilot 4.7* 'Excellent' rating.

Rated excellent at time of writing November 2025

"Easy to order either online or by phone. Friendly staff. Choice of days and free delivery. Food is very tasty and different size meals depending on your appetite. Highly recommend."

WELCOME *To*

WILTSHIRE FARM FOODS

Our meals are created by our team of award winning chefs in our Wiltshire kitchen and all recipes are refined by our in-house dietitians. You can taste the quality of our ingredients in every mouthful – it's that home-cooked taste, delivered!

Whether your patients are living with dysphagia and require a texture modified diet or are at risk of malnutrition and require energy dense, fortified meals, our Specialist Ranges offer a food-first approach to their needs.

Why not take some of the pressures off you and your patients and let us deliver our meals for free▲ at a time that suits all? Our friendly, DBS checked drivers will even pop the meals straight into the freezer if necessary.

**We've made
recycling easier
than ever with
our new scheme**

If your patients return their clean food trays to their driver, we'll recycle them and turn them into brand new ones!

**We'll replace any
meals your patients
aren't happy with
– for FREE!**

100%
SATISFACTION
GUARANTEED

All they need to do is keep the film lid from the top of their meal (if they can) and give us a call – we'll sort the rest. For full T&C's please visit:

HOW WE CAN *help*

NUTRITIOUS MEALS & SPECIALIST DIETS

WELL BALANCED*

We all know the importance of looking after ourselves and now we're pleased to be able to give our customers a helping hand when it comes to making healthy choices.

Discover **dishes specifically selected** to support a healthy diet. They are **low in saturated fat** to help maintain healthy blood cholesterol levels, and a **good source of protein** to support muscle mass maintenance and keep **bones strong**.

*WELL BALANCED is a registered trademark of Well Balanced. A varied and balanced diet and a healthy lifestyle - low in saturated fat to help maintain healthy blood cholesterol levels and a good source of protein to support muscle mass maintenance and keep bones strong.

ALL OF OUR WELL BALANCED* MEALS ARE:

LOW IN
SATURATED
FAT

A SOURCE
OF PROTEIN

1 OF YOUR
5 A DAY

LOW IN
SUGAR

A SOURCE
OF FIBRE

Other Specialist Nutrition ranges include a variety of meal options to suit many different patient needs, such as:

Free From

Free from the 14 major allergens and made without onion and garlic, these meals are a great choice for anyone with dietary restrictions, allergies, or intolerances.

Mini Meals Extra

Energy dense, higher protein ready meals, for those with smaller appetites. These calorie dense meals offer between 501-532 calories and at least 20g of protein in each serving.

HOW WE CAN *help*

DELICIOUS IDDSI COMPLIANT CHOICES

- ✓ Our world-leading Softer Foods range includes over 80 different dishes in three different IDDSI textures.
- ✓ Texture and safety guaranteed. All of our meals are reviewed by our Consultant Speech and Language Therapist to ensure compliance against the IDDSI framework.
- ✓ Meals for all eating occasions; breakfast, lunch and dinner - and snacks and desserts.
- ✓ Our Purée dishes are moulded separately, so individual elements of the meal are distinguishable and don't lose shape when heated.

Over 80 World-Leading Softer Foods dishes

Level 4 – Purée Meals

These smooth texture dishes are perfectly puréed, filled with flavour.

Purée Salmon in Butter Sauce

The food is delicious with a good selection, reasonably priced, easy to cook and saves me trying to make puréed food when I can spend that time better with Mum.

Mrs C, Customer

Level 5 – Minced Meals

Effortless to prepare minced dishes that require minimal chewing.

Minced Minced Beef Chilli

My partner needs a puréed diet and is thoroughly enjoying the authentic taste of the meals.

Mrs S, Customer

Level 6 – Soft & Bite-Sized Meals

Enjoy softer textures and small, manageable pieces.

Soft & Bite-Sized
Sausages in Onion Gravy
