

## **Bursary – Vanessa Shaw Award**

The Vanessa Shaw award is made up of two separate awards up to £2,500 each. The award is to be used for an individual dietitian's research project undertaken as part of the MSc Advanced Professional Practice in Paediatric Dietetics, or other MSc, MRes or PhD. The award can be used to fund research related equipment and activities, input from a statistician or dietetic assistant, travel necessary to conduct the research, and attendance at a conference relevant to the research. The award should not be used for the payment of module fees.
