

Our vision

Improve the health of the UK population by: protecting and improving health and care services, developing health and social care nutrition policy, improving the impact of dietetics and promoting positive discussion on food, nutrition, wellbeing and health.

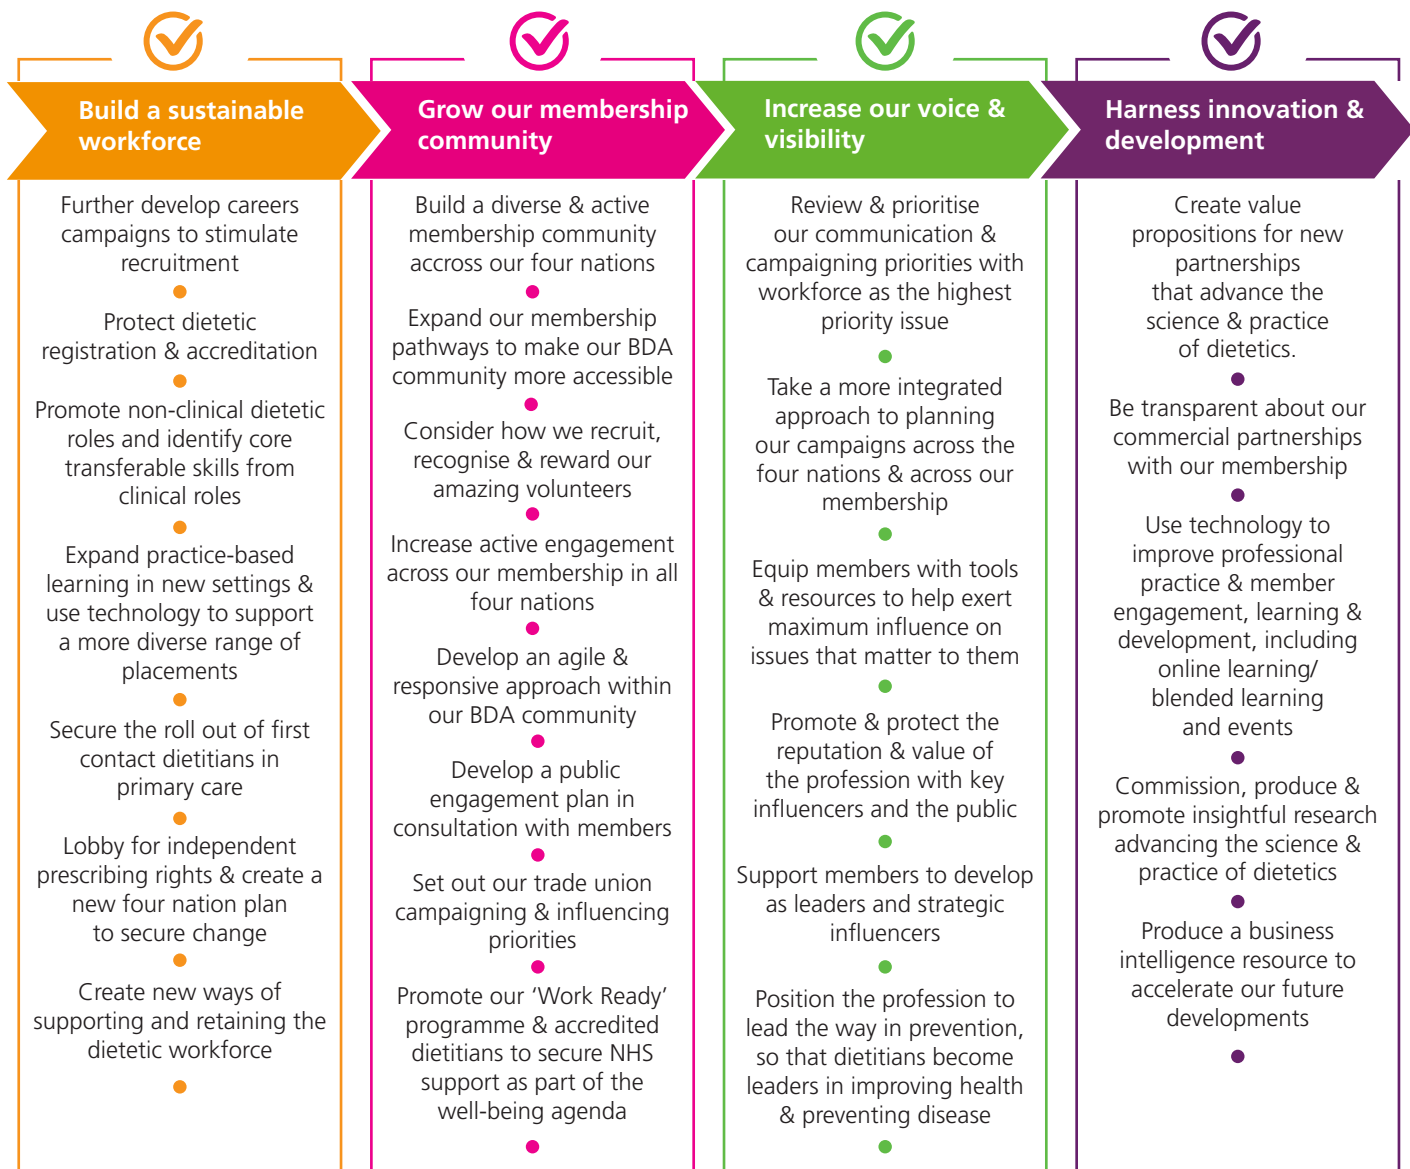

Our core values

Our core purpose

We are committed to developing an organisational core purpose with members.

Our strategic priorities

Underpinned by a progressive, thriving and developing organisation

- Commitment to equality, diversity & reducing health inequalities
- Financially sustainable to financially developing
- Investment in digital technology
- Deliver our core services to the highest standards
- Continue to address climate change in our work and practices
